

To: Ms Jeanne Lay, Principal of Como-Pickton H.S.

Date: February 17, 2009

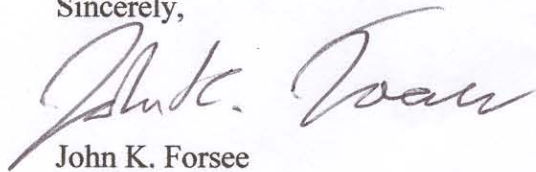

From: Jack Forsee, Science Teacher

Subject: Letter of Resignation

Please accept this letter of resignation as Science teacher at Como-Pickton High School effective June 4, 2009. It is with some regret that I must now terminate my long teaching career from a school and staff that I have come to love and cherish. I fear my advancing years are rendering me incapable of sustaining the highest level of professionalism that must be demanded by the school and community for the education of our young people.

What a fine staff and group of administrators we have here, under the guidance of our Principal, Ms Lay. I especially wish to give thanks to Ms Porter, the most efficient and capable person that I have known, Ms Powers and Ms Evans for their gracious help. It is my fondest hope that everyone at Como-Pickton ISD will have the most happy and successful future possible.

Sincerely,

John K. Forsee
