SUPERINTENDENT'S OFFICE

Dear Mrs. Rossiter- Superintendent:

We would like to extend our sincere appreciation for the nursing support that you provided to our school district for our Pre-School Vision & Hearing screenings. Thank you for sending the following staff to support our efforts: Deborah Fields-Bates, LaToy Brown, Bernadette Martin and Tawanna Lezon. They were very professional and responsive to our needs.

It is important for me to share that Kristin Elliott and Janet De'Bruin 's immediate response to this request for assistance was greatly appreciated.

Your support allowed us to conduct our normal comprehensive screening process with prospective pre-school students for the 2017-2018 academic school year in a seamless manner.

Again, we are tremendously grateful for your consistent support of Brookwood School District 167.

Sincerely,

Dr. Valorie Moore
Superintendent CEO
Brookwood School District 167
