Date: July 1st, 2024

To: Dr. Jennifer Norrell, Superintendent of Schools
East Aurora School District 131 Board of Education

From: Andrew Allen, Executive Director of Information Systems/CIO

Subject: Recommendation to purchase ggCircuit to manage and maintain the Rec Center's Esports computers and games available to students.

GgCircuit solution Purchase:

Seek approval for the purchase of ggCircuit to manage and maintain the Rec Center's Esports computers and games available to students.

Justification:

The REC Center's Esports venue is a one-of-a-kind venue for our students and community. GgCircuit provides leading software to manage a venue just like this. ggCircuits management services allows our IT Department to give every user the same experience. This system allows specific images which include all the correct configurations to all computers including the games available to be played through one user portal. In addition, it can control specific images or instances for students to use after hours booking time in the room on specific computers.

Board Policy:

Pursuant to Board Policy 4:60, Supplies, materials, or work involving an expenditure in excess of \$25,000 must comply with the State law bidding procedure, 105 ILCS 5/10-20.21, unless specifically exempted.

Strategic Plan Alignment:

This recommendation supports Strategic Goal #1, Educational Equity that states the following: *East Aurora School District 131 will meet the diverse needs of all student by ensuring a safe and inclusive learning environment.* Strategic Goal #2, Operational Excellence that states the following: *East Aurora School District 131 will align and utilize systems and resources that promote operational excellence, efficiency, and fiscal accountability.*
