AGENDA ITEM: Discuss and consider reconfiguration of GISD middle schools to establish a single 7/8 grade campus at Central Middle School.

The GISD Board Curriculum Committee Chair has requested consideration to change the current configuration of GISD middle schools from three 5-8 grade schools to one 7-8 grade campus at Central Middle School. Consideration of grade 5-6 will be determined at a later date.

Discussion in the committee indicates a board decision to help staff adequately prepare for the 2021-2022 school year.

RECOMMENDATION:

I move that the GISD board of trustees approve the reconfiguration of Central Middle School to serve all traditional GISD 7-8 grade students.
