Strategic Plan Goal & Pedagogy Implementation:

Family & Community Collaboration

Goal 1: Prioritize and implement intentional and purposeful partnerships.

- Iisagvik is sending 2 staff to introduce various fields of study
- Evening Rec Daily 5:30 p.m.-10:00 p.m., excluding Wed.

Culturally Responsive Instruction

Goal 2: All students perform at or above grade level

- We have a dedicated reading interventionist working with small groups to advance reading skills.
- DEED signed our students up for Amira to practice fluency. We have completed Ampliphy tutoring.

Goal 3: All students are prepared for their pathway of choice post-high school

Goal 4: Graduate bilingual students

- The goal of graduating all our students with strong language (both Inupiaq and English) is accomplished by having each student attend ILT classes daily. Our elementary students from ECE to 12th grade attend daily ILT classes. Teachers are continuing to teach the Inupiat Mapkuq lessons. A big bonus for our students this year has been Richard Glenn and Vera Lincoln, who teach in both languages and sew and complete science lessons that are applicable to the land and culture. We all look forward to Susan Hope working with students and the community, sharing her skills and language as they work together.

Student Social & Emotional Wellbeing

Goal 5: Facilitate & maintain culturally, emotionally, & physically safe learning environments

- TCC Mental Health has returned to the Village, a rotation of 2 weeks in and out.
- We are expecting growth after our Wayfair summative assessment.

Staff Support & Professional Development

Goal 6: Build and sustain a thriving workforce aligned with the mission of this District

Our Mission: Students who are empowered, culturally rooted, bilingual, healthy, critical, creative, life-long learners.

Financial & Operational Stewardship

Goal 7: Standardize high-functioning, efficient, student-focused operations
