Dear Mr. Cox:

I offer my resignation effective July 12, 2011. I want to acknowledge with deep thanks your many kindnesses to me during the 12 years that I worked with you.

It's not everyone who has an employer who is consistently cooperative, generous, and understanding, and I feel that I've been blessed. It's really because of the training and mentoring I received from you that I feel qualified to undertake my new assignment.

My best wishes to you always. Don't be surprised to get some telephone calls from me, asking for advice. If I can return any of the many favors you did me, please do not hesitate to call. I wish you and Waskom ISD all of the best in your consistent pursuit of excellence.

Sincerely,

Brian Griffin  
Assistant Principal
