Goal: To support Talented and Gifted programming that correctly identifies students and provides the academic and social emotional support necessary for students to be successful.

December 31st 2015

Set the criteria for 2016-2017 and develop necessary documents to create clarity for staff

January 22nd 2016

Site visits to look at self contained Talented and Gifted (GT) programs

- Eastern Carver County on January 12th
 - Personalized Learning
 - Gifted Talented Programming
 - Progression Initiative
- Minnetonka on January 20th
- Prior Lake on January 27th

March 1st 2016

Draft a plan for the new model of programming to be ready to send out communication to the community (10,000 FT level information)

June 30th

The New Model of programming for Talented and Gifted (GT) will be completed and ready for implementation in the Fall of 2016

Measurement of Success:

- Accurately identify students who should be in a GT program by using a consistent measurement tool and industry wide placement parameters for GT students
- Provide high quality and aligned academic and social, emotional programming for GT students

Working Document:
