

County Parcels

Mouse position: 42.664080 -111.595127

- **To change scale**, use the tool at the upper left of the map or the wheel on your mouse.
- **To change the background imagery**, select a button from the upper right of the map.
- **To show parcel information**, position the mouse pointer over the parcel and click the left mouse button. The parcel should then be highlighted. Click on the highlighted parcel to view an information window presenting that parcel's information.
- **To find an address**, enter the street address, city and state in the text box below and click the Find! button.
