CONDITIONS OF OUT-OF-DISTRICT TRANSFER AGREEMENT

1. All out-of-district transfers are approved for a period of one school year, subject to available space in the student's grade level throughout the school year. Students who live in an attendance area have priority over out-of-district transfer students.
2. All out-of-district transfer requests must receive the approval of the receiving school principal and IB Coordinator if applicable. The principal may consider the student's attendance record and citizenship record in the decision to approve or deny a transfer request. Once the transfer is approved, it will remain in effect for one school year, unless other conditions of this agreement are violated, or the parent is no longer an employee of Denton ISD.
3. School authorities will notify parents/guardians of the approval or denial of transfer requests. School authorities will exercise the right to limit transfers to any school where the enrollment reaches a level considered a maximum for the administration of an effective and efficient educational program.
4. Transfer students must follow all rules and regulations of the District, including those for student conduct and attendance. Violation of the District's rules and regulations may result in revocation of the transfer agreement.
5. Denton ISD transportation services will not be provided for out-of-district transfer students.
6. All students who attend DISD schools as out of district transfers will need to follow the guidelines set forth by the University Interscholastic League in the annual Constitution and Contest Rules published by the UIL.
7. Exiting the International Baccalaureate (IB) Primary Years, Middle Years or Diploma program for any reason rescinds the approved inter district transfer and the student may be withdrawn from the District.
8. Out-of-district transfers become null and void at the end of each school year in which approval is granted.

Condition of Agreement Statement

I have carefully read and fully understand the conditions of this agreement and am aware that violation of any of the terms will be justification for immediate revocation of the transfer.
