Dear Paul,

The Neah-Kah-Nie Youth Athletics Board of Directors wants to thank you and the School Board again for your generous support in allowing us to develop a fantastic Little League field on your property. We are happy to announce the completion of Phase 1 which provides our Little Leaguers a great field for both practice and games in Rockaway Beach, Oregon. Phase 2 will include installing an outfield fence, an equipment shed, and bleachers. However, Phase 2 will need additional fundraising support. I have enclosed pictures showing the field prior to renovation, the current field, and the field sign listing our major contributors like the School District.

Neah-Kah-Nie Youth Athletes provides competitive sport programs for children in North Tillamook County. Our mission is to develop young people into tomorrow's leaders by providing structured, competitive athletic programs that focus on camaraderie, discipline, skill development, and sportsmanship.

We are so grateful for your generosity and hope we can count on your continued support in the years to come.

Sincerely,
