## Memorandum Item 9c

FOR: School Board Members  
FROM: Melinda Bass  
DATE: May 17, 2023  
SUBJECT: Board Scholarships

The Board has traditionally provided scholarships each year to graduating seniors and to former Craig High School graduates who are pursuing post-secondary training. This is funded by the interest on a \$50,000 certificate of deposit that was purchased years ago for this purpose, and by the donation of your monthly Board stipends. In addition, there has also traditionally been a \$250 scholarship to the Student Representative serving on the Board.

This year there is \$4,250.00 available in the fund. The Board needs to decide how many scholarships to offer this year, and how to divide them between graduating seniors and former graduates. I would suggest six \$500.00 or four \$750 scholarships to graduating seniors, one \$250.00 scholarship to the board representative, and two \$500.00 scholarships for continuing education.
