

## Request for Proposals

Competitive sealed proposals are requested from interested contractors for the installation of a new 2,000 Gallon Horizontal AG Propane Tank Skid Package and installation, CFT/Trinity/Corken, Trinity 2000 WG, CFT-PRO7100LT, To include the following: Install electrical from the sub-panel at building to pump, dispenser, meter, and emergency shut off device. Install concrete slab to grade and crash protection per Railroad Commission of Texas requirements. **Alternate proposals must meet the quality, quantity, safety, and dispensing rates as shown above and must be clearly noted.**

Written proposals, along with all scheduled forms should be submitted to the attention of the Superintendent of Chico Independent School District.

The outside of the sealed envelope should be marked "LPG Tank RFP", include the proposers name, and date and time deadline. Proposals may be delivered as follows:

Hand Delivery: Chico Elementary School, 1120 Park Road – Room #140, Chico, TX 76431, or

Mail Delivery: Chico ISD, P.O. Box 95, Chico, TX 76431-0095

**Proposal Deadline:** All proposals should be delivered on or before Thursday, September 15, 2011 at 10:00 a.m. when the proposals will be opened and the proposal amounts will be read aloud.

**A site visit is required.**

The method of bidding will comply with the requirements set forth in the Texas Education Code, Section 44 of Competitive Sealed Proposals. The Chico Independent School Board reserves the right to accept or reject any portion or the entire proposal if it does not benefit the school district.
