						* fire ants - Tx Cooperative Extension, Texas A&M recommends at least 2 complete broadcast treatments of all grounds per year. Will discuss strategy and cost.			Note: Fire ant treatments other than within 5' of each structure bid, all other areas will be bid at that time-such as athletic areas and other large areas. All termite work was bid at \$300/12ft.sec.			Note: Termite service minimus is \$190.00			* Price quote of \$3.50/l.f. is charged only on an as needed basis, i.e. when services are performed. For example, if a 12 ft. area is treated, the charge will be \$42.00		
						** Termite Control - Spot treatment \$225/per spot treated (12 feet) with Termidor, with guarantee Annual cost per Building \$500			Fly equipment other than glue traps, will be bid separately. Mosquito treatments will be bid by job.
