Rock Island City Council
1528 3rd Avenue
Rock Island, IL 61201

Dear Rock Island City Council & Rock Island Fire Department:

On behalf of the United Township Area Career Center (ACC), I want to express our sincere gratitude for the generous donation of the 2002 HME Fire Pumper Truck, VIN # 44KFT42812WZ20001, to our Fire Science Program. As Director of the ACC, I appreciate the City of Rock Island and the Fire Department's continued support of our students as they train and explore future careers.

Our Fire Science Program is committed to providing the most authentic learning experiences possible, and this vehicle will be invaluable in allowing students to work directly with the type of equipment used in the field, an opportunity they might not otherwise have. These hands-on experiences are a critical component of their education and would not be possible without the support of individuals, teams, and organizations like yours.

Thank you once again for your contribution to the United Township Area Career Center and the education of our students.

Gratefully,

James Hood
Director
