|----------------------------------|---|--|--|
| 5<br>6                           | Regular and punctual student attendance in school is essential to the educational process.      |  |  |
| 7                                | Connecticut state law places responsibility for assuring that students attend school with       |  |  |
| 8                                | the parent or other person having control of the child. To assist parents and other persons     |  |  |
| 9                                | in meeting this responsibility, the Board of Education (the "Board"), through its               |  |  |
| 10<br>11                         | Superintendent, will adopt and maintain procedures to implement this policy.                    |  |  |
| 12                               | In addition, the Board takes seriously the issue of chronic absenteeism. To address this        |  |  |
| 13                               | issue, the Board, through its Superintendent, will adopt and maintain procedures                |  |  |
| 14                               | regarding chronic absenteeism in accordance with state law.                                     |  |  |
| 15                               |   |  |  |
