DISTRICT INFO

With winter weather and the holidays upon us we would like to share the following:

When weather conditions leave some roads blocked or unsafe for buses to travel but school is still being held "Straight Line Bus Routes" will be run.

Notification of when these routes are being used will be communicated through Parent Square, the TRSD Website www.3riverssd.org and the TRSD Facebook page.

If you live on one of the roads the buses cannot travel, you may bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off. The snow routes information can be easily accessed in our "links" section of Parent Square.
