During the 2025 legislative session HB 352 was passed. The statute requires boards to adopt policy that prohibits instruction on sexual orientation or gender identity when it is “not age appropriate or developmentally appropriate for students in accordance with state standards.” Policy #2319 Health, Sex Education, and Human Sexuality is a model ISBA policy that meets the statute.

Administration recommends revising Policy #2319. The recommendation aligns with the MDSD Strategic Plan.

IV. Continuous Improvement
