Notes From the Office...

Please remember that there is no school on January 16th, Martin Luther King Day.

Also, January 19th is the end of first semester. Students need to have all their first semester work turned in within 10 days after the end of the semester. Please contact your students teachers if you have any questions regarding their performance so far. Time is flying by this year, and we want all of our students to do their very best.
