RE: Policy Change Recommendations
DATE: March 10, 2014

Having been reviewed by the District #304 Policy Committee, the following policies are requested to be reviewed by the full Board of Education.

1. Entrance Age

Policy 5112 (Revised)

This is a revised policy from NEOLA which addresses recent changes to Illinois Legislation regarding the age of Compulsory Attendance. Students must now be enrolled by age 6.

Provisions contained in this policy reflect the current state of the law and should be adopted to maintain accurate policies.

2. Student Discipline (provisions addressing instances of bullying)

Policy 5600 (No changes)

We are required to review the policy language addressing bullying on a regular basis. The administration is not recommending any changes to the policy at this time. We are bringing forward the policy for review at this time in order to comply with School Code which requires periodic review of this particular policy. Evidence of this review will also be provided to the Regional Office of Education for its annual Compliance Audit. Once the Board of Education has reviewed this policy, it will be submitted to the Illinois State Board of Education as required.
