

## November Board Report

### Principals:

Greetings Board Members! October has quickly passed us by and so has the first quarter of school! Along with moving forward in our curriculums and academic year, our teams and students have also participated in activities that support SEL and provided team building opportunities amongst students.

### Family Night:

The 5th Grade teachers and students hosted this month's Family Night and did an amazing job building a Haunted House for their classmates and families to enjoy. The final product was amazing! After exiting the haunted house, students were greeted by members of the team and provided dinner and a variety of books to select from.

**Napi's SEL Team promoted a class competition on Red Ribbon and Anti-Bullying Bulletin Board themes. The class winners were:**

### **Red Ribbon Class Winners**

4th Grade: Ms.  
Guardipee

5th Grade: Ms.  
Augare

Specialists Team:  
Mrs. Wells

Specialists Team: Ms.  
Sangray

(We Don't Monkey  
Around With Drugs)

## Anti-Bullying Class Winners

4th Grade: Ms. Blackgoat	5th Grade: Mr. Whitcomb	Specialists Team: Ms. Sinclair	Specialists Team: Mrs. Butterfly
			

## Parent Teacher Conferences & 1st Quarter Awards

District Parent Teacher Conferences are scheduled for November 9th and 11th from 4:00PM-7:00PM. We look forward to welcoming parents and students to both in-person and virtual conferences to celebrate students 1st quarter accomplishments!

## Pumpkin Patch

Fifth grade classes scheduled a field trip to the pumpkin patch in Kalispel for their students. Students enjoyed a day off campus and outside activities. All students received pumpkins as part of their trip. Our students received many compliments from the staff and were welcomed back for another trip. We are very proud of them!

### **Diabetes Screening (Mrs. Sinclair)**

We had a great turn out for the diabetes screening on Monday October 25th and Tuesday October 26th. Southern Peigan employees as well as THIP employees helped with the screening. The students did extremely well and were very brave as their blood glucose was checked. We had a few students who did not have a consent on file but we were still able to get heights, weights, and vital signs for these students. The results from the screening will be mailed out to parents and Rose LaPine at the school-based clinic is available for follow-up. The teachers were very flexible with the schedule and both days went very smoothly. Thanks to all who helped make this screening a success.

### **Red Ribbon Assembly**

A huge thank you to Mrs. Butterfly for organizing an assembly for Napi Students! Guest speakers from BHS volunteered their time to promote drug free and anti bullying messages to the students. Students were engaged in hearing the messages and demonstrated a high level of respect throughout the assembly. Napi appreciates BHS Principals for supporting this activity and accommodating our students.

### **Halloween Celebrations**

Ms. Racine promoted a Staff Halloween Food Contest! Winners were Mrs. Schauff, Ms. B. Augare, and Mrs. Butterfly! All staff were able to enjoy the tasty entries and take a few moments to visit and laugh with each other!

## Student Costume Pictures

## Staff vs Students:

Napi Specialists along with Ms. Racine organized a Staff vs. Students activity this month! It was so much fun! Students and staff enjoyed playing a game of dodgeball. Ms. Racine wrapped up the event by reminding students nobody needs drugs and alcohol to have fun.

### Attendance:

(99) 4th Grade: 78% ADA

(133) 5th Grade: 81% ADA

### Instructional Coaches: --Aimsweb Fall Benchmark Data

#### 5th Grade

ELA		Math	
5th Reading completion	133 students - 86%	5th Math	133 students - 93% completion
Well Below	36 students - 27%	Well Below	71 students - 53%
Below	30 students - 23%	Below	29 students - 22%
Average	40 students - 30%	Average	21 students - 16%
Above Average	3 student - 2%	Above Average	1 student - 1%
Well Above	6 students - 5%	Well Above	2 students - 2%
Not Assessed	18 students - 14%	Not Assessed	9 students - 7%

#### 4th Grade

Above Average	2 student - 2%	Above Average	0 student - 0%
Well Above	2 students - 2%	Well Above	0 students - 0%
Not Assessed	18 students - 19%	Not Assessed	10 students - 10%

### Counseling Department: (Mr. Andreas)

October has been a busy month for the counseling center. Red Ribbon Weeks is currently in full swing with daily activities that reinforce the anti drug, alcohol and bullying theme. Student athletes from BHS joined us on October 25, 2021 for both 4th and 5th grade assemblies to kick off the week.

Daily student support services such as check and connect are occurring for all students who need additional support to be successful in school. The counseling center is additionally stocked with winter coats, hats and gloves in preparation for the upcoming winter months. We have been sending home between 60-70 weekend meals to assist students who are identified as meeting McKinnie Vento (homeless) criteria. Additionally, we have been coordinating with IHS Behavioral Health for Tier 3 students who are enrolled in therapy.

Staff selected both 4th and 5th grade students of the month during October. Kadence Deroche and Alexander Makes Cold Weather were chosen for the 4th grade and Skip Paxton and Chessa Prebble were selected for the 5th grade. Students received awards certificates and their pictures were forwarded to the Glacier Reporter for recognition.

All students in grades 4 and 5 receive the Second Step social emotional curriculum as part of their special rotation. During the month of October we are learning to notice and accept the similarities and differences in people around us. Students are learning that not everyone is like them and doesn't necessarily free the way that they do.

#### **Sokinaapi Program: (Mrs. Wells)**

The month of October was a successful month for Spokinaapi and students. Students were able to complete their lessons from the Too Good for Drugs curriculum, focusing on making healthy choices. I am very impressed with our Napi Students as they are very respectful and showing great improvements with participating during lessons. They work really hard to complete their lessons so they can have some extra time to play a game or do something fun.

During Red Ribbon Week the Spokinaapi team helped assemble Halloween bags with an assortment of prizes. The bags also included a cultural coloring page from the Pikunni Institute that was given out on Monday the 25th with a verbal encouragement to stay drug free and make good decisions. Each day that students wore their ribbon and dressed up with the daily theme got a chance to win a prize from the Spokinaapi program. Jason Andreas was very helpful announcing the winners at the end of the day.

Aside from the Specials class, Spokinaapi has been doing check-ins, maintaining availability for student support or socio-emotional needs.
