

# October

## Greetings Evergreen Families,

With temperatures dropping we know that more students will be wearing layers. Please remember to write your child's name inside their belongings. This assists in finding the owner.

October is a busy month, please look over the calendar. Picture day is coming, along with our campus offering a fun "Title Math Night", it includes a free spaghetti dinner for families.

With stores stocked with candy for Halloween it can be tempting to put a couple pieces in your child's lunchbox. We ask that families don't send candy with students, as they often eat it first. Please instead look for healthy alternatives. Students need that extra boost in the morning, sending items with your child like cheese sticks, peanut butter crackers, meat and cheese, etc. are packed with protein.

\*Remember when shopping for costumes, if you intend for your child to wear it to school on Tuesday the 31st, please note their costumes can not disrupt learning or be in the way of other students. We also ask that costumes do not contain gore or are scary in nature, this helps with our youngest students. Thank you!

We need your help, please consider being part of the Site Council or PTO. Upcoming October dates are on this newsletter.

Sincerely, Jenny Jones

## **Silliness from the desk of Mrs. Jones**

Q: Know why skeletons are so calm?

A: Because nothing gets under their skin.
