A warm welcome back to all! I am looking forward to a wonderful school year. We had a great assembly on the first day of school where we were able to add a school rule to our existing rules; be safe, be respectful and be responsible. Be kind is new to our list, but an old expectation. Our message to students is to treat others in a way that you want to be treated. I encourage parents to have conversations with their children about what our 4 school rules mean and what they look like at school and at home.  
**BE SAFE \* BE RESPECTFUL \* BE RESPONSIBLE \* BE KIND**

## After School Plans

If you need to change your students after school plans, please send a note with the student, fax a note(592-3186), or send an email to :

## **After School Enrichment Classes Are Back!!!!**

We are excited to announce that Evergreen has received another 21<sup>st</sup> Century Grant which will allow us to provide after school classes again this year. We will be working with our partners; The Boys and Girls Club, Siskiyou Field Institute, the Illinois Valley Arts Council, Kerbyville Museum and College Dreams to afford fun, academic and enrichment activities for our students. Be watching for information on our first round of classes which begin sometime in early October.

## **Attendance Policy**

Good attendance is the single most important factor in school success. We expect good attendance and will provide assistance if there are problems preventing good attendance.

District policy states that a written note from the parent or doctor must be on file in order for the absence to be "excused". A phone call only "verifies" the absence. Please remember to include your child's whole name as well as the teacher's name when writing to the office so we are sure to excuse the right student's absence.
