Parkrose School District 3

USE OF DISTRICT PLAY-FIELDS, ATHLETIC FIELDS AND ATHLETIC FACILITIES FOR PARKROSE COMMUNITY ORGANIZED TEAMS AND OTHER NON-DISTRICT RESIDENTIAL TEAMS

Use of District Play-Fields, Athletic Fields

The organizations listed below may be granted free use of district playing fields and athletic fields provided admissions charges are not made. (Requires Facility Use Application and Approval in accordance with KGAB)

1. Parkrose Soccer League
2. Parkrose Little League
3. Greater Gateway Little League
4. Parkrose Babe Ruth League
5. Parkrose American Legion Teams
6. Other teams when approved by Superintendent/designee following formal request and review. (In accordance with KGAB)

This free use pertains to use of the fields and not to maintenance and upkeep of fields in preparation for play or following use of fields. The above named organizations are responsible for furnishing their own equipment and seeing that all litter is picked-up following each use.

In order to provide for the equitable use of district play-fields and athletic fields during summer months, representatives of the above named organizations will meet with the Parkrose School District Athletic Director in the month of February to establish use of the fields. The Athletic Director will notify the organizations of the date and time of the meeting.

All inquiries and applications for use of district play-fields and athletic fields will be routed through the District Athletic Director for scheduling and approval. Guidelines for usage are as follows:

- There will be no charge to the above noted organization for organized activities if the District incurs no cost for set-up, clean-up, lights, supervision, etc.;
- Supervision of the district stadium or other facility when not provided by the District shall be required. The responsible person(s) shall be identified on the application for use and shall agree to be on-duty at all times when the Facility is being used by the person or group.
- Non-Parkrose organizations granted use of facilities will be required to pay a fee for usage of the facility plus any cost of set-up, clean-up, lights, supervision, etc.
- The District may revoke this facility use at any time if the user violates any of the use agreement or policies.
