

Collin County Community College District Board of Trustees

6. Campus Facilities and Construction Committee

September 17, 2024

Resource: Dr. Bill King
Executive Vice President

DISCUSSION ITEM: Consideration of Approval for the District President or His Designee to Negotiate and Execute an Architectural Design Contract with Page Southerland Page, Inc. to Provide Design Services for the New Career Technical Education Building on the Wylie Campus

DISCUSSION: Over the past few months, District staff have engaged in a procurement process to select an architectural firm to provide design services for the construction of a new Career Technical Education building.

To select the most qualified firm, a two-step procurement process was followed. The first step included posting a public advertisement for the project and collecting information from interested firms that indicated their qualifications to design such a project. The qualifications were reviewed by a selection panel of Collin College staff, and a shortlist of the best qualified firms was developed using a pre-established qualitative scoring process.

The second step involved formal interviews with the shortlisted firms. During these interviews, each firm presented to the selection panel their overall design vision for the project and presented their plan for the overall design phase of the project. Each firm was scored using a pre-established interview scoring process. Upon completion of the interviews, the firm having the highest score using the totals of the step one and two processes was selected as the most qualified firm.

Recommended Firm:

FY-2024-RFQ-014 – Page Southerland Page, Inc.
