**Monthly Maintenance Report**  
January 5, 2017

- 2) Carpet – Completed in hallways and entrances.

**Minico**

- 1) Irrigation Pump Project Relocation- Advanced Irrigation Solutions is designing the relocation of Minico’s turbine pump. This is being relocated because MID is dropping the water level in the ditch.

- 2) Old Food Service Building Project for Minico Construction Class - Students in Minico’s construction class have removed the old freezer from the previously operated Food Service Building which is currently used for District storage. Minico’s construction class will build on the current building where the freezer was removed. This work will continue at the start of third trimester because the class is not offered 2<sup>nd</sup> trimester.
