Subject: Requesting leave from school for the remainder of the 2020-2021 school year

Dear, Dr. Conway

I Nicole Stockmal, BLC Paraprofessional at Irving school am requesting leave from school for the remainder of the 2020-2021 school year. I have currently been on leave under the Covid-19 act due to my boys being on a hybrid plan at their school. This past week many positive cases showed up at their school resulting in full distance learning for at least two weeks or more. My current leave will end soon and unfortunately with no end to this Pandemic anytime soon this terrible decision finally has to be made. If my sons go back full-time or Derby Public Schools goes distance I hope that I can return back to work. I hope you and your family are well and if you have any questions please let me know.

Thank you

Nicole Stockmal
