**Subject:** Recognition of SBISD Texas Theatre Scholar Distinction Award Winners

**Administrator Responsible:**

**Name:** Linda Buchman

**Position:** Associate Superintendent for Communications and Community Engagement

**Purpose of Agenda Item:** Special Presentation

**ADDITIONAL INFORMATION AND/OR BACK-UP:**

We are proud to recognize SBISD students recognized by Texas Thespians for demonstrating high academic success in overall coursework through the Texas Theatre Scholar Distinction. The academic and theatrical work met or exceeded the requirements for this award.

To be selected as a Texas Theatre Scholar, a student must be actively enrolled in school and a dedicated member of their campus theatre department in good standing. They must participate in theatrical programs throughout the school year and maintain a minimum cumulative GPA of 3.0 on a 4.0 scale (or its local equivalent) across all academic coursework. Additionally, students must meet any requirements set by their theatre program or school. Beyond academic and participation standards, Texas Theatre Scholars are recognized for demonstrating exemplary behavior and strong moral character, upholding the values of their theatre department, school, and community.

The following students from Spring Branch ISD have received the Texas Theatre Scholar Distinction Award for the 2024-2025 school year:

Holden Hagelberger, Stratford High School  
Valeria Portales, Stratford High School  
Tajlen Shell, Northbrook High School
