<u>BOARD OF EDUCATION GOALS:</u>		
<p>Create and Develop Legislative Agenda and Action Plan <i>(Outreach Plan for legislators. Board Members meet twice per year with assigned legislators and report back each time to the Board and Community. In addition, utilize new Multnomah County Lobbyist)</i></p>	<p>Each Board Member has several Legislator Assignments. Parkrose Board hosted their own Parkrose Legislative Day at the District Office November 29th.</p> <p>Mary Lu - Participated in the Legislative Day and attended meeting with Senator Jeff Merkley Sara Kirby - Participated in the Parkrose Legislative Day. Dave Carter - Participated in Parkrose Legislative Day. Participated in Constituent Coffee with Senator Dembrow. Sonja McKenzie - Participated in Parkrose Legislative Day</p>	<p>Mary Lu Baetkey - Done</p> <p>Sara Kirby - Stacey Michaelson the East County lobbyist has been a great asset, I appreciate her working to also educated our board. Between January and June I had several face to face conversations with Barbara Smith Warner and sent follow-up emails.</p> <p>Dave Carter - Found it beneficial being part of a pact of Multnomah County school districts using a paid lobbyist. Attending the Multnomah County mental health update on June 28th.</p> <p>Sonja McKenzie - Participated in meet and greet session with Senator Jeff Merkley at Town Hall meeting at PHS. Met with Senator Lew Frederick at several political and community events in 2018. Sent Correspondence to Commissioner Sharon Meieran</p> <p>Erick Flores - April-May, 2018- followed Sen24 race where Kayse Jama, Shemia Fagan and Rod Monroe were competing for. Shemia took about 61% of vote. Dave and I talked to Shemia in one of the debates.</p> <p>4/5-2018: City Council-followed/ supported Andrea Valderrama for City Council- JoAnn Hardesty won. I look forward to work with JoAnn. She's awesome!</p> <p>Will meet with local elected officials in the summer at one of their gatherings.</p>

<p style="text-align: center;">Board Self Evaluation <i>(Decide on tool and timeline by December Board Meeting)</i></p>	<p>The Board selected their Self Evaluation Tool. They will use the Oregon School Boards Association template, part 1 and part 2. Part 2 will be based off the Board's four 17-18 Goals. Deadline for completion is March 12th.</p> <p>Board Secretary will send the Board a fillable template the 1st of February.</p>	<p>Mary Lu Baetkey - The Board needs more training from OSBA and needs to demonstrate they are able to follow agreements agreed to and the policies of the District.</p> <p>Sara Kirby - We completed the self evaluation, concluding with a facilitated meeting by OSBA. I look forward to our board using some of the communication techniques for more respectful and effective meetings.</p> <p>Dave Carter - Board completed OSBA self evaluation on time. We had a chance to review some, but not all questions and answers as a Board. There is need to examine and refine this goal at our August retreat for school year 2018/19.</p> <p>Sonja McKenzie - Participated in Facilitated Board Training with OSBA Rep. Looking forward to implementing communication tools to have more efficient board meetings.</p> <p>Erick Flores - I think we did good on our evaluation and we had an amazing night with Renee!</p>
<p style="text-align: center;">Appreciative Inquiry <i>Implement three part action plan: Increase community engagement opportunities, create new Community Solutions Advisory Team and Research best practices of outreach via University of Portland Partnership (Report progress back to Board 2 times per year)</i></p>	<p>The Community Solutions Advisory Team had their first two meetings November 16th (next meeting January 18th). Mary Lu and Sara serve on the team.</p> <p>Mary Lu - I attended the first meeting and have been in conversation with others in the Community concerning the Goals of the Committee and asking one other person to attend.</p> <p>Sara - Attended the first meeting of the Community Solutions Team. Attendance was low all team members agreed to recruit an additional community member to the team. Team seems to be coming together around developing some best practices for inclusive meetings.</p>	<p>Sara Kirby -- I have attended and participated in all community solutions group meetings. I have shared updates at board business meeting. I have read and shared the findings of U of P inclusive community engagement literature review with the board. Currently the group is still growing and finding our feet at our most recent meeting we are still attracting new attendees. The current areas the group is discussing is access to school properties, better connecting our PTOs and other booster groups and a start of year community event.</p> <p>Dave Carter - I am interested to hear from the Community Solutions team, a success and a challenge in its inaugural first</p>
