POLICY NP 208:
DEVELOPMENT, ADOPTION, AND IMPLEMENTATION OF POLICIES

I. PURPOSE

The purpose of this policy is to emphasize the importance of the policy-making role of Nova Classical's Board and provide the means for it to continue to be an ongoing effort.

II. GENERAL STATEMENT OF POLICY

Formal guidelines are necessary to ensure the school community that the school system responds to its mission and operates in an effective, efficient, and consistent manner. A set of written policy statements shall be maintained and modified as needed. Policies should define the desire and intent of the Board and should be in a form which is sufficiently explicit to guide administrative action.

III. DEVELOPMENT OF POLICY

- A. The Board has jurisdiction to legislate policy for the school district with the force and effect of law. Board policy provides the general direction as to what the Board wishes to accomplish while delegating implementation of policy to the administration.
- B. The Board's written policies provide guidelines and goals to the school community. The policies shall be the basis for the formulation of guidelines and directives by the administration. The Board shall determine the effectiveness of the policies by evaluating periodic reports from the administration.
- C. Policies **or amendments to policies** may be proposed by a board member, employee, student, or community member. Proposed policies, **amendments**, or ideas shall be submitted to the Governance Committee for review prior to possible placement on the board agenda.

IV. ADOPTION OF POLICY

- A. The Board shall give notice of proposed policy changes or adoption of new policies by placing the item on the agenda of two board meetings. The proposals shall be distributed and public comment will be allowed at both meetings prior to final school board action.
- B. The final action taken to adopt the proposed policy shall be approved by a simple majority vote of the Board at a subsequent meeting after the meetings at which public input was received. The policy will be effective on the later of the date of passage or the date stated in the motion.
- C. **Policies may be approved as a part of the Consent Agenda of a meeting if they meet the above conditions.**

- D. In the case of an emergency, a new or modified policy may be adopted by a majority vote of a quorum of the Board. A statement regarding the emergency and the need for immediate adoption of the policy shall be included in the **minutes materials for the meeting**. The emergency policy shall expire within one year following the emergency action unless the policy adoption procedure stated above is followed and the policy is reaffirmed. The Board shall have discretion to determine what constitutes an emergency situation.
- E. If a policy is modified with minor changes that do not affect the substance of the policy or because of a legal change over which the Board has no control, the modified policy may be approved at one meeting at the discretion of the Board.

V. IMPLEMENTATION OF POLICY

- A. The Executive Director shall be responsible for implementing board policies, other than policies that cover how the Board shall operate. The Executive Director shall also develop administrative guidelines and directives to provide greater specificity and consistency in the process of implementation. These guidelines and directives, including employee and student handbooks, shall be subject to annual review and approval by the Board.
- B. All policies shall be made available to the Board and members of the public.
- C. The Executive Director, employees designated by the Executive Director, and individual board members shall be responsible for keeping the policies current.
- D. The Governance Committee shall review policies **at least once every three years as required by statute or as needed to accurately reflect statutes and current processes**. The Governance Committee shall be responsible for developing a system of periodic review, **addressing approximately one third of the policies annually**, to ensure that all other policies are reviewed at least once in a five-year period. Newly approved policies should be reviewed more frequently to ensure compliance and effectiveness. In addition to the above considerations, the Governance Committee shall endeavor to review policies that cross-reference each other in a similar timeframe. **In addition, the Governance Committee shall review the following policies annually: 402 Disability Nondiscrimination; 410 Family and Medical Leave Policy; 413 Harassment and Violence; 414 Mandated Reporting of Child Neglect or Physical or Sexual Abuse; 506 Student Discipline; 514 Bullying Prohibition Policy; 515 Protection and Privacy of Student Records; 521 Student Disability Nondiscrimination; 522 Student Sex Nondiscrimination; 524 Internet Acceptable Use and Safety Policy; 526 Hazing Prohibition; 806 Crisis Management Policy; and NP 602 Gender Inclusion.**
- E. When no board policy exists to provide guidance on a matter, the Executive Director is authorized to act appropriately under the circumstances keeping in mind the educational philosophy and financial condition of Nova Classical. Under such circumstances, the Executive Director shall advise the Board if there is the need for a policy.
