

# *Pana Junior High School*

Lisa Mayhall, Principal

Stile Smith, Assistant Principal

Report to Board of Education

March 2025

## **Attendance as of 3/11/2025:**

Grade	Enrollment	Attendance
6th	79	93.86%
7th	93	93.97%
8th	72	94.39%

## **PJHS Activities**

- The Panther Den hosted their annual Hero's Breakfast for local first responders on Thursday, March 13th. Panther Den students welcomed their guests and worked alongside our cafeteria staff to serve them as well.
- One of our goals this year was to provide a foundation for *Career Technical Education* through exposing our students to the career clusters and begin to explore future careers. During W.I.N. time, Mrs. Sowarsh is introducing the clusters to our 6th & 7th grade students by having them complete a career interest survey and then further researching career clusters in small groups. Students will be placed in small groups based off of their interests surveys. We are excited to begin this new initiative and look for ways that we can expand next year
- The 8th grade students have begun their high school transition process with learning about classes for next year. They are currently working on registration this week, a parent information session tonight.
- Spring Conferences will be on March 19th along with our spring Book Fair this week.
- IAR testing will be April 1st - 3rd. Then the following week, the 8th grade students will take the ISA. Teachers are preparing students for this assessment by guiding them through what it will look like on the computer and how to use the available tools.
- 8th Grade Promotion is scheduled for May 28th at 1:00pm.

## **Vision**

*PJHS will be a safe and supportive community for students to be productive and responsible in an engaging learning environment.*
