Item: Center Desktop Computers for Secondary Programs

Board Meeting Date: 2.16.2026

RECOMMENDATION:

It is recommended that the Kent ISD School Board approve the purchase of 132 desktop computers from SEHI Computer Products in the amount of \$83,160.

BACKGROUND:

In accordance with our hardware lifecycle management plan, these units will replace existing inventory that is incompatible with the Windows 11 operating system. Accelerating this purchase ahead of the typical July cycle is recommended to mitigate the impact of ongoing computer memory shortages and rising market costs.
