Homedale High School Graduation

- Graduation will be held at 7:00 p.m. on May 19th. The Board members traditionally sit on the stage during the graduation. One of the board members hands out diplomas during the ceremony.

Negotiations

- Kurt and I met with Mike Greeley and Casey Grove to work on negotiations. We will have updated information to share with you at the board meeting.

COSSA

- We met at COSSA this morning to work on the schedule for next year. We are working at changing COSSA to four days at the Academy and for PTE. COSSA will be holding a public hearing in regards to the four day week. At this point, we will continue sending our PTE students to COSSA in the morning.
