New Business:

Site Council discussed the Artist in Residence that started last year. This is a beautiful project. Last year's fees cost roughly \$3000.00 for the first phase. Site Council would like to propose that we only do this every other year, due to the cost. Applegate will need to find a way to raise more money for the second phase of this project. Applegate will need to raise roughly 2000.00 more to complete the Artist in Residence project.

Site Council discussed what music would look like for Applegate School. Applegate had no applicants for a violin teacher or guitar teacher. Site Council discussed what other options we could explore for music. The topic came up to look at a music in residence for a week. Jean Hall will talk with a local community member (Kevin Carr) who may be interested in coming out to school, or maybe he can give us a recommendation. SOU has a drum program. Also brought up is that maybe our custodian Jacob Haberman may be able to teach guitar lessons.

Last year \$2500.00 was raised for the science area for all of Applegate School. The Hall's would like to ensure that the donations that were given will be used what the money was raised for. We have a student that has been trying to work with teachers to see what they needs have for science. She will be working with teachers and Mr. Fuller to see what the vision in for the science money.

Jean Hall will be taking over the articles for the Applegater.
