**CC:** R. Sauer, Superintendent  
**Date:** 1/9/2024  
**Re:** High School Principal Report January 2024

---

Greetings from HHS!

We are off and running with the second semester here at HHS. With the start of the new semester we always have some adjustments here and there to students schedules and students remembering what classes they have this new semester but overall it has been a smooth transition into the new semester. We are looking forward to another great semester here at HHS with many opportunities for our students to further their education not only in the classroom but outside the classroom as well. The FAFSA window is now open for students and we are holding a FAFSA night on January 23rd for Seniors and Parents to attend to receive any help needed in filling out the new format. We also have our annual Community Career Fair coming up this month on the 25th where we have many of our local business and community leaders come and present their careers and opportunities to our entire student body.

This semester we are preparing for Spring Assessments in large part for our Juniors as they have their Junior year ISAT assessment as well as SAT this spring. We will be assessing the freshman and sophomores as well with interim assessments to gain a better understanding of where their strengths and weaknesses might be so that we can address areas we feel important to address prior to their Junior year. We will be working with all staff in making an effort to help our students see the most success possible on these Spring assessments.

As always we are truly blessed to be here and to be a part of HHS!

Matt Holtry

## **Enrollment- 1-9-24**

**Freshman- 111**

**Sophomores- 116**

**Juniors- 87**

**Seniors-94**

**Total Students- 408**
