Activities/Celebrations:

2nd Annual High School Football & Volleyball Homecoming Week Readers - We were so blessed to have the Football and Volleyball teams come and read to each classroom again this year during homecoming week. The students were excited to have the high school students visit our school and read to them. Our students wore Orange and Black for the Homecoming Parade to show their support. Our students enjoy the Homecoming Parade every year. Thank you for including our school in this event, so that we can participate in the excitement.

Spartan Race - Giant THANK YOU to Mr. Perry, Mrs. Bradbury, Mr. Kenyon and our PTO Parents for putting on this amazing race for our students. It is so fun for our students Mr. Perry has created many many fun obstacles for the students to complete during the race.

Curriculum/Instruction:

Daily Academic Intervention - RTI Groups are up and running. Grade level PLC's created Intervention Groups based on our Fall Benchmark scores. Kindergarten - 3rd Grade students are in the process of completing the beginning of the year AMIRA IRI (Idaho Reading Indicator Assessment). The IRI is a month later than usual due to the state using the new assessment tool Amira. Our teachers gave the assessment in September to give our students the chance to use the new testing format. Letters will go home to parents to let them know about how their students scored.. If students are Level 2 or 3 parents will receive a letter letting them know their child qualifies for some extra support in reading, and will receive intervention. The amount of intervention a student receives depends on their academic needs.

Community Outreach:

VIP (Volunteer In-Service Program): The First VIP Trainings for the year were held on Tuesday, Sept. 16th 9:00 a.m. and at 4:30 p.m. There were around 12 total participants in the volunteer training. A Big Thank You to the parents, family, and community members that took time to participate in the training so they can volunteer to help our school.

Red Ribbon Week Activities:

Oct 23 - 30 is Red Ribbon Week this year. Our counselor does a great job with activities, and treats for our students to remind them of the importance to stay Drug and Bully FREE.
