Background Information

On May 16, 2023 the process of transitioning the decision making over to the next superintendent, Dr. Martina Wagner began. Starting the transition or onboarding at that time allowed Dr. Wagner to make decisions that impacted the next school year, while the Interim Superintendent was still available to offer background knowledge and support.

To facilitate the transition, starting on that date, all correspondence intended for the Interim Superintendent included Martina to allow her to make decisions and respond accordingly.

From May 16 through June 30, Dr. Wagner was performing the duties of the Director of Teaching & Learning and the majority of the duties of Superintendent.

This topic is for discussion on authorizing compensation for the extra duties and responsibilities during this time period.

Recommendation

Any action needed will be determined at the board meeting.
