

"Be a Part of the Pride!!"

Staff Birthday Corner

Lori Harlow- August 31

Jenny Lehn – September 3 Stephanie Beyers- September 9 Ashley Yockey- September 14 Amber Ginger- September 29

Cheri Wysong- October 15 Kelly LeDuc- October 16 Angie Neal- October 28 Rebecca Mahnke- October 20

Current Enrollment 294 students: PREP/EC = 61; Kindergarten = 76 (down 3); Grade 1 = 78 (down 5); Grade 2 = 79 (up 13) Attendance for August: K-94.35%; 1st- 97.95%; 2nd- 97.39%

The overall Classroom winner was Mrs. Schmitz with 99.43% of students in attendance for the month. They were awarded Dilly Bars for their accomplishment!

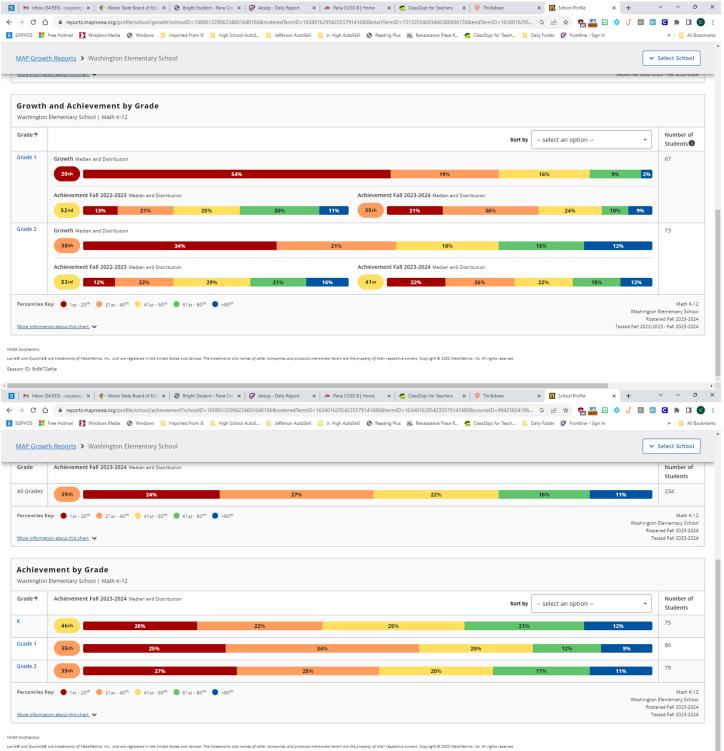

We kicked off the 2022-2023 school year with a week of 'bootcamp' to learn rules and procedures. We built our classroom social contracts and are reviewing them frequently. The PHS Panther Band came to visit on September 8th to kick off the new year with a celebration. The band played songs for us, explained their instruments and showed us how important team work and listening are in order to play beautiful music. The flag squad showed us what it looks like when the DON'T cooperate and listen- what a dangerous mess! We LOVE having them here to show us how much fun school is when you are a Respectful, Safe and Ready to Learn student!

The weekly Panther Paw winners from the PBIS/CKH- Be a Part of the Pride drawing will begin this week. The names of these students will be read over the intercom, and they are awarded a book for their good behavior. These students will also be in the "Front Row Club" at our PBIS/CKH- socially distanced good behavior assembly on September 29th.

In August and September we celebrated Empathy. Lunch groups have begun, and students are working together to demonstrate what it looks like to watch and listen to their friend's needs. During September we have continued to practice EMPATHY! During lunch groups and in weekly lessons, the students will further explore what it means to understand the feelings of others.

The Tiered Level Intervention benchmarking sweep using MAP was completed on August 21-22. All students were tested in reading and math during the sweep. The children were extremely cooperative during the testing period and did an excellent job demonstrating their skill level. The data collected has been used to create individualized programs targeted at addressing the specific skill deficits of our children. Researched based interventions have begun, and another year of learning is under way.
