Erica has been the welcoming face of our school for more than four years, and her contributions have had a profound impact on the positive atmosphere within our school. As individuals enter our school, they are invariably greeted with warmth and respect by Erica. Her genuine and approachable demeanor creates an inviting environment, setting the tone for a positive and inclusive experience for everyone who walks through our doors.

One of Erica's remarkable qualities is her ability to communicate effectively in both Spanish and English. This skilled proficiency has proven invaluable in ensuring that all individuals, regardless of their language background, feel welcomed and included. Erica's bilingual skills have facilitated smoother interactions, bridging language barriers and enhancing the overall sense of community within our school.

What truly sets Erica apart is her unwavering reliability. She consistently goes above and beyond her designated responsibilities, often extending her working hours to contribute to various school activities. Erica's passion for being an integral part of the school's events and initiatives creates a feeling of family. It is clear that Erica's love for our school is a driving force behind her commitment to ensuring its success.

In conclusion, I am honored to say that Erica Cerda deserves the Extra Mile Award for her outstanding contributions to our school community.
