

# GRAHAM INDEPENDENT SCHOOL DISTRICT

DR. BEAU REES  
Superintendent of Schools

## RESOLUTION

### Make Education a Priority

**Whereas**, the current Texas public school finance system is negatively affecting an increasing number of public school districts; and

**Whereas**, past diligent legislative efforts to address the state's method of adequately and equitably funding Texas schools has fallen short of broad measured success; and

**Whereas**, the legislative year of 2011 bears the attributes of repeating the 2009 legislative session's lack of reliable funding improvements;

**Therefore, be it resolved** that a responsible community of educational leaders with a united awareness respectfully empowers and supports our respected legislative representatives to act; and

**Be it also resolved** that in light of our current Texas economic challenges and the complexity of financing public education improvements in school funding be established with an attitude where education is found as the highest priority; and

**Be it also resolved** that this attitude begins within the leadership of Texas school districts and together, we respectfully share one unified message to all involved: Make Education a Priority.

The Graham Independent School District Board of trustees respectfully acknowledges, applauds and joins the priority efforts to protect the pursuit of quality education for all children.

*Adopted this 21<sup>st</sup> day of October, 2010*
