It has become increasingly difficult for the high schools to close the semester, get grades posted and students scheduled for the next semester without a lot of disruption to the student day. With only 4 student days, we need to make every effort to minimize this.

Therefore, at semester you will see that it ends on Wednesday, the 12th of January. We have all teachers scheduled to post grades on Thursday the 13th of January; all high school teachers required to work on Friday, the 14th – with this being optional for the elementary teachers.

What this does to the ending teacher work days: With high school teachers being required to work two days at the semester – they would only have to work one day at the end of the year – thereby being finished on the following days: Friday, 6-10 (A); Friday, 6-17 (B); Tuesday, 6-7 (C); or Monday, 6-13 (D) . Elementary teachers generally need two days at the end of the school year to close up their rooms for the summer – they have the option of working Friday, January 14th and finishing under the same schedule as the secondary teachers or **OR** not working on Friday, January 14th and finishing their year under the following options: Monday, 6-13 (A); Monday, 6-20 (B); Wednesday, 6-8 (C) or Tuesday 6-14 (D).
