Site Council Minutes 10/30/15

Members Present:

Darrell Erb Jr. - Principal
Melisa Smock-Classified
Vicki Di Stefano-Teacher
Jim Scull- Teacher
Casey Embury- Parent
Sadie Emmons- Parent

Agenda:

- Darrell had discussion with site council regarding SIP(School Improvement Plan) Site Council looked at School Improvement Plan on Indistar. The site council visited the Indistar web page and discussed some of the school improvement indicators. Staff and parents both gave valuable input to each of the indicators discussed. Site Council looked through points 3.1-3.4 and 3.7-3.8.
- Site Council discussed communication. Site Council discussed what a complete package would look like. Applegate is now using Synrevoice to email and call home. The school website is up to date. Most teachers are sending home weekly letters to communicate with families. Teachers will soon be setting up teacher pages to communicate with their families.
- Site Council thought of a new reader board being brought up to the area where parents are doing pickups to help with the communication. Another idea for communication was to bring in a screen (television) into cafe' area to have messages going across the screen to help notify students while they are having breakfast and lunch.
