Fr- Claire Osborne
So- Cole Nollman
Jr- Kady Perry
Sr. Katelyn Townsend

The SAT- Was administered on Wednesday, October 14th. Makeup day is scheduled for Wednesday, October 28th. All Seniors are required to take the SAT for graduation.

We had a successful Parent/Teacher Conference day on October 9th. Teachers attempted nearly 400 parent contacts through email, phone calls, and video conferences. Shout out to Mr. McKinney who took the time to contact every single parent of every student he has in class!

The Fall Band & Choir Concert: Filmed on 10/15/20- Video should be posted on the district website very soon!

Speaking of Videos....The final, edited Graduation 2020 video was shared last week on Apptegy and YouTube. Please be sure to check it out. It is fantastic! We will have a pickup day for 2020 grads for any remaining items they have left behind, etc.

Model UN- will have a virtual conference this year November 16-17. McKendree University has built a special platform to allow for a lively and engaging debate. PHS will represent the African nations of Ghana and Ivory Coast so that our kids can learn the perspective of these nations on many world problems.

STEM Lab 2: Just waiting on a few finishing touches- this lab is almost ready to roll and it looks great. We will try to have a viewing at some point soon when all items are in.
