From the Library

YES, we are having a Virtual Book Fair! I don't have all the details yet. I know it will be Nov 18th-Dec. 1. and purchases will ship directly to your house before Christmas. That is all I know so far, I will get more information out as soon as I can.

Hooray! and Woo-HOO!

Ms. Kathy

The Tillamook County Library is teaming up with our School Library to help kids get Juvenile Library Cards for the county library.

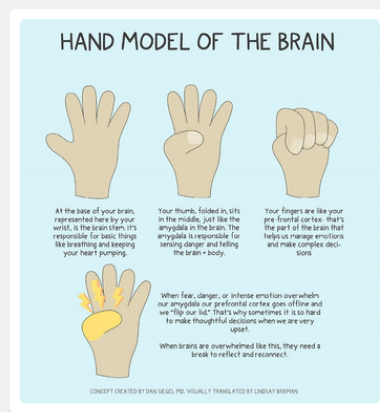

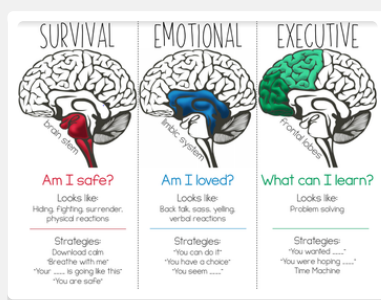

MISS JENNIFER

Greetings NES Families,

We made it to November! We continue to work on Social Emotional Learning weekly. We finished up our Mind Yeti lessons on Mindfulness and will continue to practice mindfulness throughout the year. I encourage you to help your child practice at home as well. We are still focusing on mindful breathing and will add mindful strategies as we progress through the year.

We are working on emotions and recognizing what brain state we are in - Upstairs brain or downstairs brain. When we are in our upstairs brain - we can problem solve and do our best learning. Below are our brain states and a copy of the hand model the children learned as a representation of their brains. Ask them if they can share with you how the hand model works and what happens when they “flip their lid.”

If you have any questions or concerns about your student feel free to contact me. You can also fill out a [counseling form espanol](#) to request a meeting.

SCHOOL MESSENGER

School Messenger is our automated telephone system for notifying families. This service is another tool that will allow NES to communicate important information to parents by phone and email. Families are asked to notify the school office if their phone number changes or with any new emails.

FLASH ALERT

FlashAlert is the service we use to provide emergency closures to the Portland television and radio stations. The system will send you a text and/or email message. **(FAMILIES THAT SIGNED UP LAST YEAR WILL GET A MESSAGE WITH A LINK FOR THEM TO LOG IN AND RENEW THEIR SUBSCRIPTION, or you may log in and request a test message to revalidate your account.)** To subscribe to this service, go to our web site at <https://www.flashalert.net/login/> Under “Subscribe to receive FlashAlert messages from Neah-Kah-Nie Sch. Dist.” Type in your email address, click subscribe, confirm email address,

create password, confirm password, click create account. You may enter up to three email addresses, or three text message numbers, or a combination of both. Once you have added your information click in the box that states "Click here" to send validation messages and complete the registration process. You also can download the iOS/Android app FlashAlert Messenger to your phones and link it to your account. Then click log out. If you need help with this process, contact your school secretary or Kathie Sellars at the District Office. You will need to make sure that your SPAM filter allows messages from info@flashalert.net.

GRADE DAY

Grade Day will be on Friday, 12/4/2020. Report cards will be sent home in exchange bags that week, starting on 12/9/2020. Please check those backpacks. We encourage families to review the report cards with their child(ren). Families are encouraged to contact their student's teacher if they have any questions regarding the report card.
