Superintendent

ACTION

BACKGROUND INFORMATION

If the proposed 2012-2013 School Calendar is adopted as recommended, CCCCSD must file a waiver for replacing student instructional days with staff development days pursuant to Texas Education Code (TEC) §25.081

The Expedited Waiver also would provide us the flexibility to utilize increased allowable early release days for Staff Development / Conferencing as desired.

ADMINISTRATIVE RECOMMENDATION

Approve Waiver Application as presented.

APPROVAL/DISAPPROVAL
