Principal's General Narrative:

Teachers have been striving to get students ready for the various TAKS exams amid all the activities that occur in the Spring Semester. They are all a dedicated and hard working group of professionals.

The seven students involved in planning and/or carrying out the food fight in the cafeteria were found guilty of disorderly conduct in Justice of the Peace Court. The students were fined \$ 148.25 of which \$ 48.25 has to be paid to BISD for restitution. The students were given to opportunity to substitute 16 hours of community service for the other \$ 100 in fines and court costs and parents were given the choice of helping with the community service or having the students do it all.

Thanks to each of you for your time and dedication to the children and staff of BISD.

Respectfully submitted,
Stoney Burks
