### **Boys Basketball**

We have started season seeding games. 8th grade is 2-0 and 7th grade is 1-1. Preseason games will come into play if there is a tie in seeding. District tournament is February 28-March 1st at the high seed.

### **Track**

Track is right around the corner and the SRV Athletic Directors have a meeting next week to look at scheduling. We will also be discussing that all track athletes compete against each other rather than by grade level. We are the one of the few leagues in the valley that does this.

### **Academic Bowl**

The team placed 3rd at the January meet we hosted and 4th at the February meet.
