Subject: July 2025 Board Report

AP Exams

AP score reports were released to students and families and schools on July 7th. MCHS had 621 students take 1,054 exams over a two week period in May. Of the 621 students taking exams, 495 (80%) scored a 3 or higher on the exam (passing score). A score of 3 or higher will result in potential college credit for a student. This is the highest number of students receiving passing scores in the past five years. This is a direct result of our students' hard work and our teachers' dedication to preparing students for their AP exams.

2025-2026 School Year

The 2025-2026 school year is just around the corner. Walk Your Schedule days will be held on August 4th (Central Campus) and August 5th (South Campus). Students and families are welcome to stop in between 8:00am and 2:00pm to explore the campus and get their yearbook picture taken. Freshman Experience day is scheduled for August 6th from 7:35 am - 10:20 am at South Campus. The day will begin with greetings and comments from key people at MCHS, including the drum line and cheerleaders. Freshmen will proceed through their class schedule and receive important information for the start of the school year. The school year will begin on August 11th and August 12th with two institute days. Students will start the new school year on August 13, 2025.
