Board Agenda Item Request

AGENDA ITEM: Report - Quarterly class size update

PURPOSE: Report required by LJSD Policy

MEETING DATE: April 16, 2025

PREPARED BY: Lisa Arnold

SUMMARY

The updated class sizes are linked [here](#). We have a few situations where we have class sizes that are larger than we would like. While the sizes are definitely not ideal, we typically have one or two bubbles in the district. We will continue to monitor these numbers. However, there is no easy fix. To bus new students to a different school has an impact on their instructional day as they typically arrive late to their new school and have to be picked up early to get to their home school in time to collect the remaining students and get them to their bus stops on time. I would not recommend hiring additional teachers at this time: financially, we have not budgeted for additional staff and emotionally, the students have built relationships with their teachers and classmates. It would be exceptionally disruptive to their learning.
