

HARVEY SCHOOL DISTRICT 152 CURRICULUM MEETING

In attendance: Mrs. Rogers, Dr. Adams, Mrs. Miller, Lamar Miller (Community member)

AGENDA TOPICS 8-5-15

3:30 pm

- Summer School 2015
 - Information was presented from both sessions.
 - Suggestions were made for improvement, including looking at transportation for the 1st session and combining low enrollment sessions at one site.
- 2015-2016 Preparations
 - Summer Planning has occurred throughout the summer for pacing guides and aligned curricular charts in ELA, Math and PE.
 - Principals submitted orders for consumables in May and orders were placed over the summer.
 - New math curriculum is online, but to ensure that all staff receives items, Teaching and Learning will copy modules and present on Institute Day, August 13th.
- Contracts, subcontracts and recurring contracts
 - The instructional vendor supply list was reviewed. These are the subscriptions used throughout the district. The Imagine Learning amount discussed is different than what was presented in Finance, which Mrs. Miller explained was due to a new offer presented to she and Dr. Adams. Mrs. Rogers requested an additional column that lists how the programs are utilized.

Action Item: Continue instructional services based on the recommendation of Administration.
