RESPONSE	At Levels One and Two, “response” shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered or sent by U.S. Mail to the employee’s mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on the deadline and received by the employee or designated representative no more than three days after the response deadline.

DESIGNATION OF REPRESENTATIVE	The employee may designate a representative through written notice to the District at any level of this process. WHISTLEBLOWER COMPLAINTS	Whistleblower complaints shall be filed within the time specified by law. Such complaints shall first be filed in accordance with LEVEL TWO, below. LEVEL TWO

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days after receipt of a response or, if no response was received, within ten days of the response deadline at Level One.

The Superintendent or designee shall hold a conference within ten days after the appeal notice is filed. At the conference, the Superintendent or designee shall consider only the issues and documents presented at Level One and identified in the Level Two appeal notice. The Superintendent or designee shall have ten days following the conference to provide the employee a written response.

LEVEL THREE

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days after receipt of a response or, if no response was received, within ten days of the response deadline at Level Two.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board with copies of the complaint form, all responses, all appeal notices, and all written documentation previously submitted by the employee or the administration. The Board shall consider only those issues and documents presented at the preceding levels and identified in the appeal notice.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presen-

tation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If for any reason the Board fails to reach a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

The Board has determined that substantial care requires that a student in prekindergarten-grade 8 receive at least three hours of after-school care for five days each regular school week. Students in grades 9-12 shall not be eligible for admission based on grandparent care (see "Residency Verification" in administrative regulations).

The Superintendent shall have authority to approve such admissions requests in accordance with criteria approved by the Board.

PLACEMENT
ACCREDITED
SCHOOLS

Students entering a District school from accredited public, private, or parochial schools after grade 1 shall provide evidence of prior schooling outside the District. On the basis of these observations and results of tests that may be administered

("Knowing" means that the party knew or should have known of the misrepresentation.) Parents may file a complaint regarding this action in accordance with GF(LOCAL).

In the event a student is removed from the District rolls because of failure to meet residency requirements or other qualifications, the student or parents may be billed an amount equal to the actual expenditure per student in average daily attendance, determinable by the Board, minus the sum the District received from state aid sources.

The District has requested and received a waiver from the Texas Education Agency to allow the District to limit the number of foreign exchange students in the District in any academic year to no more than five per high school that is not closed to in-district transfers. For the 2006-07 academic year only, the District shall accept those students who submit completed paperwork prior to the District receiving an amended waiver. In no instance shall the District accept more than 15 students.

The sponsoring agency and the host family shall complete all forms necessary for the placement of the exchange student before July 1 preceding the school year in which the student is to be enrolled.

Exchange students shall be enrolled in the District schools and shall be treated as any other student on the same level. A translated transcript shall be required for students who desire high school credits from the District. The District accepts no financial responsibilities for the students. No tuition shall be charged.

PARENTAL NOTICE
OF EXCESSIVE
ABSENCES

A student and the student's parent or guardian shall be given written notice prior to and at such time when a student's attendance in any class drops below 90 percent of the days the class is offered.

METHODS FOR
REGAINING CREDIT

When a student's attendance drops below 90 percent **but remains at least at 75 percent** of the days the class is offered, the student may earn credit for the class by completing a plan approved by the principal. This plan must provide for the student to meet the instructional requirements of the class as determined by the principal.

~~If the student fails to successfully complete the plan, or when a student's attendance drops below 75 percent of the days the class is offered, the student, parent, or representative may request award of credit by submitting a written petition to the appropriate attendance committee. The attendance committee shall review the student's entire attendance record and the reasons for absences, and shall determine whether to award credit.~~

Petitions for credit may be filed at any time the student receives notice, but in any event, no later than 30 days after the last day of classes.

The attendance committee ~~may~~ **shall** review the ~~records of all student's entire attendance record and the reasons for absences and shall determine whether to award credit.~~ The committee may also, **whether a petition is filed or not, review the records of all students whose attendance drops below 90 percent of the days the class is offered, whether or not a petition is filed.**

Absences for which the student has shown extenuating circumstances shall be considered as days of attendance for computing the required percentage of attendance.

Students who have lost credit because of excessive absences may regain credit by fulfilling the requirements established by the attendance committee.

PRINCIPAL'S ROLE

~~The principal shall review the students' absences and refer to the attendance committee only those students who have enough unexcused absences to make it impossible to meet the mandated attendance requirements, or those students whom the principal suspects have a pattern of suspicious absences.~~

PERSONAL ILLNESS	<p>When a student's absence for personal illness exceeds five consecutive days, the student shall present a statement from a physician or health clinic verifying the illness or condition that caused the student's extended absence from school.</p> <p>A student with a chronic or long-term illness shall present to the principal a written statement from his or her physician describing the nature of the student's illness. A student who has properly notified the District shall not be required to present an additional statement from a physician if the student is absent more than five days due to the illness.</p> <p>If the student has established a questionable pattern of absences, the attendance committee may also require a physician's or clinic's statement of illness after a single day's absence as a condition of classifying the absence as one for which there are extenuating circumstances.</p>
GUIDELINES ON EXTENUATING CIRCUMSTANCES	The attendance committee shall adhere to the following guidelines to determine attendance for credit:
DAYS OF ATTENDANCE	1. All absences shall be considered in determining whether a student has attended the required percentage of days. INFORMATION FROM STUDENT OR PARENT	8. The student or parent shall be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit.

Note: This policy addresses harassment of District students. For provisions regarding harassment of District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG.

The District prohibits sexual harassment, **dating violence** and harassment based on a person's race, color, gender, national origin, disability, or religion.

Employees shall not tolerate harassment of students and shall make reports as required at REPORTING PROCEDURES, below.

SEXUAL
HARASSMENT
BY AN EMPLOYEE

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual.

BY OTHERS

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or

3. Otherwise adversely affects the student's educational opportunities.

EXAMPLES

Examples of sexual harassment of a student may include, but are not limited to, sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

DATING VIOLENCE

Dating violence occurs when one partner in a dating relationship, either past or current, intentionally uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other partner.

Examples of dating violence against a student may include, but are not limited to, physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student's family members or members of the student's household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engage in these behaviors.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

OTHER PROHIBITED
HARASSMENT

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, gender, national origin, disability, or religion that is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or

Any District employee who receives notice that a student has or may have experienced prohibited harassment is required to immediately report the alleged acts to an appropriate person designated below.

Any other person who knows or believes that a student has experienced prohibited harassment should immediately report the alleged acts to the appropriate person designated below.

Reports of known or suspected child abuse or neglect shall be made as required by law. [See FFG]

CONFIDENTIALITY

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

The District's obligation to conduct an investigation is not satisfied by the fact that a criminal or regulatory investigation regarding the same or similar allegations is pending.
